ClimaShield® Plus

DOWCO's exclusive ClimaShield® Plus fabric protection system provides exceptional water repellency and our special Color-Lok® fabric protection provides superior fade resistance, keeping your cover looking like new up to five times longer than others.

Moisture-Guard™ Vent System

This hard plastic vent provides ventilation to control the accumulation of unwanted and potentially damaging moisture under the cover.

Waterproof, Taped Seams

Cover seams are full overlapping (four fabric layers), double-stitched for added durability and then taped to provide a waterproof closure. Keep your prized possession clean and dry.

Lockable Grommets

Unique grommets that are sewn into the cover facilitate the use of a cable lock to secure your motorcycle (lock not included).

Limited Lifetime Warranty

All Weatherall™ Plus, EZ-Zip™, Secure™, Custom, Weatherall™, Duster™ and Scooter covers are warranted against defects in materials and workmanship for life to provide you with the assurance that you have purchased a top quality cover.

The information contained here within is intended to be a guide and is judged to be accurate and as complete as possible. Motorcycle, scooter, ATV, snowmobile and PWC cover availability subject to change without notice. Product modifications and additional equipment may impact cover application and fit, and require other size considerations by end user. Liability limited to replacement product only. DOWCO is not responsible for damages resulting from incorrect cover applications or purchases.

NOTE: All fits are based on a stock motorcycle. The addition of accessories such as windshields, saddlebags, racks and sissy bars may require the next larger size cover.

Motorcycle/Custom Covers

Item #	Size	Fits
