1. Turn your motorcycle off, place securely on a lift or side stand.
2. Remove your oil filler cap and remove the stock cap using a screw driver.

   Align the notches (shown in red) on the rear of the RSD cap to the filler and clock it to match the engine covers.

   Twist to clock the cap to match the engine covers.
   CAFE Models only: Select the badge of your choice and apply.

5. Hit the road!
