

PUTTING TOGETHER YOUR GETAWAY GEAR - TOOLS, SPARES & GADGETS YOU'LL BE GLAD YOU STASHED

## THE BARE MINIMUM

1 Phone

2 Wallet

3 Keys

There are few problems you can't fix with a phone call and the swipe of a credit card. If you aren't going off the grid and don't mind ponying up for hotel rooms and whatever else you might need on the road, you can make a weekend run with nothing more than the gear on your back.

## ROADSIDE ESSENTIALS

Toolkit

First Aid Kit

3 Tire plug kit & inflator

**SAE to USB phone charger** 

5 Jumper pack

6 Fuel & spare line

**Zip ties** 

8 Wire

9 Tape

10 Flashlight

If you're the type who likes to be able to get yourself out of most jams without waiting for roadside assistance, these are the top 10 items. Side benefit/superstition: if you bring items like tire plugs, it tends to ward off the bad luck that might otherwise leave you wishing you had.

## **NICE TO HAVES**

Rain Gear

2 Bluetooth

3 Earplugs

4 ROK straps & cargo net

**5** Water & snacks

6 Paper map

7 Face shield cleaner

8 Extra gloves

9 Extra layers

10 Heated gear

Now you're livin' large! These extra creature comforts don't take up too much space and really help the ride go smoothly. And whatever happens on the road, don't forget your sense of humor. It alone might not get you there, but it can turn your misfortune into your best riding story yet.
